

## Pennington Junior School

School Sport Premium Report September  
2016

### **Pennington Junior School Physical Education Vision:**

At Pennington Junior School we pride ourselves on a broad and varied PE curriculum.

Our curriculum offers all our pupils opportunities to build on their physical health and well-being and on their personal and social skills. As part of our whole school curriculum we challenge the children to transfer these skills in new and unknown situations.

We teach our PE lessons through the REAL PE scheme. This provides quality, personalised opportunities to each pupil and challenges them as an individual and as part of a team. At PJS we want our children to experience the enjoyment of being healthy and taking exercise as well as striving to reach their potential, being the best that they can be. Through this approach we aim to ensure our provision is challenging for all learners and that they begin to take responsibility for their physical and cognitive development.

As part of the 2 hours of physical education our pupils receive per week they have the opportunity to learn, play and enjoy a wide range of invasion games, striking and fielding games, gymnastics, dance. Some lessons are taught by the 'MYcoaching' coaches and some by their class teacher. Our children are also provided with a term of swimming lessons every year. We believe all of these opportunities are vital for the development of teamwork, sportsmanship and creativity within each and every child.

While ensuring our children have the best provision for physical education we can provide, at PJS we also offer high quality continuous professional development for our teachers. We do this through the REAL PE scheme which aims to ensure every teacher is trained and is updated on any changes or developments of the scheme each term.

### **Pennington Junior School aims to deliver the following outcomes through the 'Sport Premium' funding:**

- Increased opportunities for outdoor adventurous activity and challenges for all children within the school day.
- Improved quality of teaching and learning through the REAL PE scheme ensuring confidence and competence of *all* our staff teach and assess physical education.

- Increased opportunities for competitive sport both within school, during PE lessons, and outside of school. Through the New Forest School Sports Partnership (NFSSP), regular attendance at sports festivals, leagues, competitions and tournaments across the New Forest.
- Improved quality and breadth of sport equipment. Replacement of equipment to ensure it is of the highest quality for our learners.
- Paying for/subsidising the cost of swimming for all children to have the opportunity to learn to swim and improve their ability on a yearly basis.
- Extra - curricular clubs which are subsidised or free for all children to join, encouraging pupils to participate and develop skills in a wider range of sports.

Pennington Junior School is committed to providing a high quality Physical Education Curriculum promoting health, active lifestyles as well as the opportunity for competitive sport.

We are fortunate to have been guaranteed additional funding to establish provision and continuously improve the learning experience and sustainable active lifestyles of our pupils.

2015-16 we used the funding in our school in the following ways:

**Government Sport Premium Funding 2015-16:  
£8816.00**

<b>Last year we:</b>	<b>Impact:</b>	<b>Sustainability and growth</b> This year we intend to:
Provided a climbing wall for a day. Cost: £595	<b>All</b> children took part in an outdoor adventurous activity challenge. They developed perseverance and courage to conquer individual fears as well as being physically and mentally challenged.	Introduce more adventurous challenging activities. Hold a school team building day with a focus on children challenging themselves and developing social, communication skills to improve teamwork.
Spare plimsolls for PE Cost: £22.50	Enabling <b>all</b> children to take part in PE lessons using appropriate PE kit.	N/A
New Forest Schools Sports Partnership Cost: £2970	"The vision for all pupils by the time they leave primary school is to be physically literate with the knowledge, skills and	We have signed up to the NFSSP again this year. We will work towards the gold 'Sports Games' mark through competing and

	<p>understanding to equip them for a healthy lifestyle and lifelong participation in physical activity and sport." NFSSP</p> <p>Children from PJS were able to take part in:</p> <p><b>September</b> Yr5 football festival Tag rugby competition</p> <p><b>October</b> Yr 5/6 Table tennis tournament Yr 5/6 cross country competition</p> <p><b>November</b> Yr 3/4 football tournament Yr 3/4 quicksticks hockey festival Yr 5/6 girls 3g football tournament Yr 5/6 sports hall athletics competition</p> <p><b>December:</b> Yr 4 Football festival Badminton festival</p> <p><b>January:</b> Yr 5/6 cross country</p> <p><b>February:</b> Yr 5/6 hockey</p> <p><b>March:</b> High 5 netball festival Yr 4/5/6 cross country</p> <p><b>April:</b> Yr 5/6 sports hall athletics Girls football</p> <p>Funding was used to transport the children. Following each event every child read their report out in Celebration Assembly. This informed, excited and inspired the rest of the school on the sporting events they could take part in during the school year.</p>	<p>attending as many events as possible.</p>
--	--	--

	Through participation in each of these events, sometimes with more than one team, as well as providing a broad and fulfilling and curriculum, PJS was awarded the <i>Gold School Games Mark</i> , entitling us to a set of free school PE/team Kit as well as the award itself.	
PE equipment and adventure playground audit Cost: £43.24	In monitoring and inspecting our equipment and adventure playground, we were able to ensure that the children have a safe and secure playing environment and they have equipment of the highest quality available.	We will continue to monitor our equipment so that our children are kept safe during playtimes and in PE lessons.
Football and Fun rings purchased Cost: £189.36	Our pupils were able to compete and learn using the highest quality equipment.	Ongoing audits of the equipment we have. From this we will be able to purchase and renew any equipment that may be in need of replacing. We will also look at improvements to the curriculum, including outdoor adventurous activities, and purchase resources to support the broad curriculum.
6 ½ days supply (approx. £220 per day) Cost: £1430  Training Cost: £1000	Supply cover enabled 3 members of staff to attend the REAL PE training to improve their confidence and competence to teach PE through this scheme. Training worked through the scheme giving teachers ideas and tools to use within the classroom. Using this expertise teachers are able to better follow our PE vision and improve the social, physical and cognitive skills of our pupils.	We are sending more staff on the training this year ensuring sustained high quality PE teaching. This training is updated every year so we are able to ensure that recent changes are fed back to staff, keeping them up to date with recommendations and improvements in the REAL PE scheme of work.
Swimming Cost: £610	This is an extremely important part of school life at PJS and is	All children will continue to access swimming lessons

	<p>a hugely valued part of the curriculum. All our children have the opportunity to learn to swim no matter what their financial background. As a matter of safety, due to the area we live in and the children's exposure to the sea, we feel that swimming and water safety is a vital part of our school curriculum.</p>	<p>building upon their ability to use a range of strokes as well as improving their safety in the water.</p>
