PENNINGTON

C.E. Junior School

Early Bird Club

As part of our extended school initiative Pennington Infant and Pennington Junior Schools run an Early Bird Club from 8.05am on each school day. The cost per day is £2.00.

The Club Leaders are Mrs Butcher and a member of staff from Pennington Junior School.

In the interest of Health and Safety, numbers for this club will be restricted to 30. Places will be reserved for regular users who book on a half-termly basis. We will try to accommodate casual users, but a place cannot be guaranteed if our number is exceeded.

The club takes place in Pennington Infant school hall. Please enter the building via the hall doors, not the main entrance.

The success of the club is up to you. Should numbers increase, we may be able to employ further Leaders.
